

Tim Ellis, City Manager

February 3, 2014

To: Board of Commissioners, City Staff and Residents of Goodlettsville

The City of Goodlettsville began the practice of producing the City Manager's Monthly Report in December 2011 to provide general and performance information to the Board of Commissioners and the public on City services and programs. The City utilizes performance data to identify efficiencies and potential inefficiencies for the purpose of improving services, responsible budgeting and enhancing transparency in local government. The information in this report is compiled internally by each department/division that comprises City Services. The information is then analyzed and organized for presentation by myself and the Public Information Officer.

I am proud of the City's efforts toward becoming more transparent, performance driven and the direction in which our community is headed. City staff and I will continue to work diligently to increase efficiencies in City services and achieve the goals of our Board of Commissioners as we proudly serve the citizens of Goodlettsville.

I am pleased to present to you the January, 2014 City Manager's Monthly Report. I hope that you continue to stay informed on City issues and progress.

Please feel free to contact me with any questions, comments and/or suggestions regarding this report.

Sincerely,

Tim Ellis, City Manager

## Chief Goodwin's Monthly Report

January 2014

On January 7th we attended a Neighborhood Watch Meeting at Rivergate Meadows Apartments. On January 8<sup>th</sup> I attended the Leadership Sumner Criminal Justice Day. On January 17<sup>th</sup> I met with Julie Russell of First state Bank about a possible future run. On January 23<sup>rd</sup> I attended Chief Steve Andersons Regional Law Enforcement meeting at the Music City Center. We also attended the Middle Tennessee GHSO meeting in White House on January 28<sup>th</sup>.

In review of the TIBRS data comparing January 2014 to January 2013 Crime Against Person decreased by 17%, and Crime Against Property decreased by 19% and overall we had a 17% decrease. Our UCR total for the year is a 12.68% reduction in UCR Crimes.

Our proactive efforts of our officers were very good for the month of January. As a result our officers made 1145 Traffic Stops and 25 Terry Stops. They made 70 Traffic Arrests and 7 DUI Arrests. They issued 41 Misdemeanor Citations, made 73 Misdemeanor Arrests and 28 Felony Arrests. They made 9 Juvenile Misdemeanor Arrests, 3 Juvenile Felony Arrest and issued 9 Juvenile Citations.

The other part of the strategy involves serving outstanding warrants. Persons with outstanding warrants have already proven a proclivity for involvement in criminal activity. By arresting them for their outstanding warrants we prevent their opportunities for committing crime. During the month they made 56 Warrant Service Attempts. They served 12 Felony Warrants and 45 Misdemeanor Warrants.

Our officers continue to check our neighborhoods, businesses and parks. They conducted 561 checks of neighborhoods, 472 businesses checks and 224 park checks. They had 861 Community Contacts.

The January Officer of the Month was Charles Hauskin and the Communications officer of the Month is Rachelle Fulton. Rachelle immediately dispatched the description of a shoplifting suspect from a market on Louisville Highway. She gave the description prior to making the CAD entries which got information out to officers quicker. Officer Hauskin although finishing a traffic accident report jumped up on the interstate to see if he could locate the vehicle. Due to both of their efforts the vehicle was located and stopped by Officer Hauskin. Not only was the shoplifter arrested and merchandise recovered, but the driver had a revoked license. In addition he had seven outstanding warrants (2 felony warrants, 5 misdemeanor warrants) out of Robertson County.
