

Tim Ellis, City Manager

August 15, 2014

To: Board of Commissioners, City Staff and Residents of Goodlettsville

The City of Goodlettsville began the practice of producing the City Manager's Monthly Report in December 2011 to provide general and performance information to the Board of Commissioners and the public on City services and programs. The City utilizes performance data to identify efficiencies and potential inefficiencies for the purpose of improving services, responsible budgeting and enhancing transparency in local government. The information in this report is compiled internally by each department/division that comprises City Services. The information is then analyzed and organized for presentation by myself and the Public Information Officer.

I am proud of the City's efforts toward becoming more transparent, performance driven and the direction in which our community is headed. City staff and I will continue to work diligently to increase efficiencies in City services and achieve the goals of our Board of Commissioners as we proudly serve the citizens of Goodlettsville.

I am pleased to present to you the July, 2014 City Manager's Monthly Report. I hope that you continue to stay informed on City issues and progress.

Please feel free to contact me with any questions, comments and/or suggestions regarding this report.

Sincerely,

Tim Ellis, City Manager

## Goodlettsville Police Department

### Chief Goodwin's Monthly Report

July 2014

On July 1st we spoke to a children's group at Fairfield Church. We held "Coffee with a Cop" on July 22<sup>nd</sup> at Rivergate Mall. We participated in a Back to School event at Goodlettsville Presbyterian Church on July 26<sup>th</sup> and were present at Music on Main Street on July 17th. I attended the Chamber of Commerce Luncheon on July 24th the Drug Task Force meeting on July 30th.

In review of the TIBRS data comparing July 2014 to July 2013 Crime Against Person was decreased from 25 to 17 a 32% reduction, and Crime Against Property decreased from 98 to 85 a 13% and overall we had a 17% decrease. Our UCR total for the year is a 10.44% reduction in UCR Crimes.

Our proactive efforts of our officers were very good for the month of July. As a result our officers made 1011 Traffic Stops and 5 Terry Stops. They made 86 Traffic Arrests and 3 DUI Arrests. From these Traffic Stops resulted 2 Felony charges, 92 Misdemeanor charges, and 16 warrants were served. They had 17 drug confiscations (12 from traffic stops). They issued 74 Misdemeanor Citations, made 54 Physical Arrests with 60 Misdemeanor charges and 12 Felony charges. They made 22 Juvenile Misdemeanor Arrests and issued 10 Juvenile Citations.

The other part of the strategy involves serving outstanding warrants. Persons with outstanding warrants have already proven a proclivity for involvement in criminal activity. By arresting them for their outstanding warrants we prevent their opportunities for committing crime. During the month they made 17 Warrant Service Attempts. They served 18 Felony Warrants and 27 Misdemeanor Warrants.

Our officers continue to check our neighborhoods, businesses and parks. They conducted 625 checks of neighborhoods, 476 businesses checks and 260 park checks. They had 762 Community Contacts.

The Communications Officers of the Month is Shane Farrell. On 7/8/14 officers responded to a domestic call at Moss-Wright Park. Officers requested a subject be run by driver's license number. Shane checked under the subjects Social

Security number as well and determined the subject was wanted out of California. Even though the hit indicated no extradition Shane sent a message advising the subject was located. California sent back a response advising they would extradite and the subject was taken into custody. Shane went above and beyond in his efforts that enabled a criminal to be taken off the streets of Goodlettsville. Our Officer of the Month is Jennifer Hancock. She responded to a drowning call on 7/11/14. Upon arrival she assisted medics in performing CPR which was vital in saving the life of the child.
